1. OPENING REMARKS: The Manager welcomed all members to the meeting.

2. MATTERS DISCUSSED: During the Security Operation Centre (SOC) Team Meeting held on 27th January 2024, several matters were discussed, including the submission of research papers and book chapter approval. Here's a more detailed explanation of the matters discussed:

- **Submission Status Update:**
 - The research paper titled "A Comprehensive Analysis of Penetration Testing Strategies using Legion" submitted on 16th February 2024 is still pending acceptance.
- **Book Chapter Approval:**
 - The book chapter titled "Integrating Wazuh for Efficient Real-Time Threat Monitoring and Vulnerability Assessment in a SOC Environment," submitted to "Utilizing Renewable Energy, Technology, and Education for Industry 5.0," authored by Muhammad Danial Bin Hasni, has passed the editorial review phase. The chapter was approved on 26th March 2024.

I hereby certify that, to the best of my knowledge, the foregoing minutes are accurate and complete.

The meeting was adjourned at 10.00 am on 27th January 2024.
